## Product Delivery Information

IBA Members are encouraged to present their hive products for sale at the 2008 Indiana State Fair. Sales not only benefit the beekeepers but also their clubs, the IBA general fund and IBA Young Beekeepers Awards Fund. An additional benefit is making the public aware of the many offerings of Indiana beekeepers!

Here are the drop off points for your products (*all products must be delivered to the drop off points not later than Monday August 4th, or directly to the IBA Booth in the Horticulture*
